Ik heb de intentie om twee rakaat farz van fadjr qaza, die ik nog moet inhalen, te verrichten voor Allah, ik sta richting Ka'ba. Allahoe Akbar.

Voor iemand die qaza oemri wil verrichten is het volgende ter vergemakkelijking toegestaan:

In de eerste en tweede rakaat na Soerah Fatiha een korte Soerah lezen.

In elke roekoe en sajdah slechts **één keer** volledig de tasbieh opzeggen.

In de derde en vierde rakaat van farz **in plaats van Soerah Fatiha** drie keer **Soebhaanallah** zeggen.

In de laatste zithouding (qa'da agiera) na attahiyaat **i.p.v.** De volledige daroed en doe'a slechts Allahoemma salli ala Moehammadien wa aalihi opzeggen en de namaaz beëindigen.

In witr **i.p.v.** Doe'a qanoet één of drie keer **'Rabbighirlie'** opzeggen.

Ik heb de intentie om twee rakaat farz van fadjr qaza, die ik nog moet inhalen, te verrichten voor Allah, ik sta richting Ka'ba. Allahoe Akbar.

Voor iemand die qaza oemri wil verrichten is het volgende ter vergemakkelijking toegestaan:

In de eerste en tweede rakaat na Soerah Fatiha een korte Soerah lezen.

In elke roekoe en sajdah slechts **één keer** volledig de tasbieh opzeggen.

In de derde en vierde rakaat van farz **in plaats van Soerah Fatiha** drie keer **Soebhaanallah** zeggen.

In de laatste zithouding (qa'da agiera) na attahiyaat **i.p.v.** De volledige daroed en doe'a slechts Allahoemma salli ala Moehammadien wa aalihi opzeggen en de namaaz beëindigen.

In witr **i.p.v.** Doe'a qanoet één of drie keer **'Rabbighfirle'** opzeggen.

Ik heb de intentie om twee rakaat farz van fajr qaza, die ik nog moet inhalen, te verrichten voor Allah, ik sta richting Ka'ba. Allahoe Akbar.

Voor iemand die qaza oemri wil verrichten is het volgende ter vergemakkelijking toegestaan:

In de eerste en tweede rakaat na Soerah Fatiha een korte Soerah lezen.

In elke roekoe en sajdah slechts **één keer** volledig de tasbieh opzeggen.

In de derde en vierde rakaat van farz **in plaats van Soerah Fatiha** drie keer **Soebhaanallah** zeggen.

In de laatste zithouding (qa'da agiera) na atahiyaat **i.p.v.** De volledige daroed en doe'a slechts Allahoemma salli ala Moehammadien wa aalihi opzeggen en de namaaz beëindigen.

In witr **i.p.v.** Doe'a qanoet één of drie keer **'Rabbighirlie'** opzeggen.

Ik heb de intentie om twee rakaat farz van fajr qaza, die ik nog moet inhalen, te verrichten voor Allah, ik sta richting Ka'ba. Allahoe Akbar.

Voor iemand die qaza oemri wil verrichten is het volgende ter vergemakkelijking toegestaan:

In de eerste en tweede rakaat na Soerah Fatiha een korte Soerah lezen.

In elke roekoe en sajdah slechts **één keer** volledig de tasbieh opzeggen.

In de derde en vierde rakaat van farz **in plaats van Soerah Fatiha** drie keer **Soebhaanallah** zeggen.

In de laatste zithouding (qa'da agiera) na attahiyaat **i.p.v.** De volledige daroed en doe'a slechts Allahoemma salli ala Moehammadien wa aalihi opzeggen en de namaaz beëindigen.

In witr **i.p.v.** Doe'a qanoet één of drie keer **'Rabbighfirle'** opzeggen.

Ik heb de intentie om twee rakaat farz van fajr qaza, die ik nog moet inhalen, te verrichten voor Allah, ik sta richting Ka'ba. Allahoe Akbar.

Voor iemand die qaza oemri wil verrichten is het volgende ter vergemakkelijking toegestaan:

In de eerste en tweede rakaat na Soerah Fatiha een korte Soerah lezen.

In elke roekoe en sajdah slechts **één keer** volledig de tasbieh opzeggen.

In de derde en vierde rakaat van farz **in plaats van Soerah Fatiha** drie keer **Soebhaanallah** zeggen.

In de laatste zithouding (qa'da agiera) na atahiyaat **i.p.v.** De volledige daroed en doe'a slechts Allahoemma salli ala Moehammadien wa aalihi opzeggen en de namaaz beëindigen.

In witr **i.p.v.** Doe'a qanoet één of drie keer **'Rabbighfirle'** opzeggen.

Ik heb de intentie om twee rakaat farz van fadjr qaza, die ik nog moet inhalen, te verrichten voor Allah, ik sta richting Ka'ba. Allahoe Akbar.

Voor iemand die qaza oemri wil verrichten is het volgende ter vergemakkelijking toegestaan:

In de eerste en tweede rakaat na Soerah Fatiha een korte Soerah lezen.

In elke roekoe en sajdah slechts **één keer** volledig de tasbieh opzeggen.

In de derde en vierde rakaat van farz **in plaats van Soerah Fatiha** drie keer **Soebhaanallah** zeggen.

In de laatste zithouding (qa'da agiera) na attahiyaat **i.p.v.** De volledige daroed en doe'a slechts Allahoemma salli ala Moehammadien wa aalihi opzeggen en de namaaz beëindigen.

In witr **i.p.v.** Doe'a qanoet één of drie keer **'Rabbighfirle'** opzeggen.

Ik heb de intentie om twee rakaat farz van fajr qaza, die ik nog moet inhalen, te verrichten voor Allah, ik sta richting Ka'ba. Allahoe Akbar.

Voor iemand die qaza oemri wil verrichten is het volgende ter vergemakkelijking toegestaan:

In de eerste en tweede rakaat na Soerah Fatiha een korte Soerah lezen.

In elke roekoe en sajdah slechts **één keer** volledig de tasbieh opzeggen.

In de derde en vierde rakaat van farz **in plaats van Soerah Fatiha** drie keer **Soebhaanallah** zeggen.

In de laatste zithouding (qa'da agiera) na atahiyaat **i.p.v.** De volledige daroed en doe'a slechts Allahoemma salli ala Moehammadien wa aalihi opzeggen en de namaaz beëindigen.

In witr **i.p.v.** Doe'a qanoet één of drie keer **'Rabbighfirle'** opzeggen.

Ik heb de intentie om twee rakaat farz van fadjr qaza, die ik nog moet inhalen, te verrichten voor Allah, ik sta richting Ka'ba. Allahoe Akbar.

Voor iemand die qaza oemri wil verrichten is het volgende ter vergemakkelijking toegestaan:

In de eerste en tweede rakaat na Soerah Fatiha een korte Soerah lezen.

Ik heb de intentie om twee rakaat farz van fadjr qaza, die ik nog moet inhalen, te verrichten voor Allah, ik sta richting Ka'ba. Allaho Akbar.

Voor iemand die qaza oemri wil verrichten is het volgende ter vergemakkelijking toegestaan:

In de eerste en tweede rakaat na Soerah Fatiha een korte Soerah lezen.

In elke roekoe en sajdah slechts **één keer** volledig de tasbieh opzeggen.

In de derde en vierde rakaat van farz **in plaats van Soerah Fatiha** drie keer **Soebhaanallah** zeggen.

In de laatste zithouding (qa'da agiera) na attahiyaat **i.p.v.** De volledige daroed en doe'a slechts Allahoemma salli ala Moehammadien wa aalihi opzeggen en de namaaz beëindigen.

In witr **i.p.v.** Doe'a qanoet één of drie keer **'Rabbighfirle'** opzeggen.
